Dear Friends,
 Hopefully you are all aware of the very successful Member Referral Program we have had in place since January. As of now, the program is closed but we have added over 116 new members

to the Club this year! The excitement continues to build as we move into the summer months and I strongly urge you to keep bringing your friends, family, and colleagues to the Club as Member prospects. Selva Marina Country Club is only as strong as its membership and right now we have tremendous positive momentum and the opportunity to bring the Club back to a thriving successful part of the Atlantic Beach community. New Members are vital to the success of the Club and your encouraging words and the friendly atmosphere current Members create at Selva Marina are the most important tools we have to help secure new Members and ensure the survival of our Club. To date, we are tracking positive to budget and the remainder of the year has a very real possibility of continuing that movement.

As we acquire new Members, it will remain vitally important that everyone supports the Club in whatever way each of you can. The events are loaded up for the summer with golf, tennis, swimming and dining being the highlights of what Selva Marina has to offer. Join your friends and family here at the Club whenever you are considering an activity or dining out. Your experience can be contagious and will ultimately fuel more activity around the Club.

On a serious note, there have been several acts of vandalism around the Club, which by and large have not been costly events. However, they exact a toll on the operation and the appearance of the facility. I would ask that you help us to be vigilant in keeping our Club safe and protected from harm. If you do see suspicious activity after hours, please contact the Atlantic Beach Police

Department at (904) 247-5859. If you have concerns during normal operating hours, please notify a staff person or manager so that we can address the situation immediately. Thank you for your continued support of the Club and I hope your summer kicks off in style!

Best Regards,

David Main
