

# THE FORECAST

SELVA MARINA COUNTRY CLUB

## SAVE MONEY ON DUES!

Dear Friends,

I will begin by reminding all of you that there is a significant opportunity to save money on dues for you and your friends by referring them to the club - we need your help to make this a successful drive. **Our referral program is in full swing with several members taking advantage of it already. This is the best program we have ever run and it offers both you and your referred member 25% off dues for a full 12 months! If you refer four new members, you can get free dues for 12 months!** In addition, the offer includes a credit of \$2000 or \$4000 against their initiation fees depending on the level of membership they choose. This offer expires on April 30th, so take a minute and tell your friends and neighbors, or any former members who resigned by December 31, 2010 that this is the best offer they will ever see from the Club.

**Prime-Rib Night** will return this month, and I hope everyone will support this long-standing tradition. Next month, we will be hosting a **Low Country Boil** and Spencer has a **Masters Big Game**. Please show your support for the club and join us for these great new events!

In closing, I ask you to **welcome two new employees to our team: Russell Radel and Telissa Sealy who are our new First and Second Assistant Golf Professionals, respectively.** Both of them come to us with great qualifications. Russell has been at TPC Sawgrass for 18 months and Telissa comes directly from The Golf Academy of America in Myrtle Beach. Upon meeting them, I could tell immediately we have two superb people joining us at Selva. Russell will primarily work inside the golf shop while Telissa will take the lead with outside services. Both will be available for lessons. I encourage you to introduce yourself to these two, (only if they don't beat you to it!) and welcome them to our team.

Best Regards,

David Main

Over the last couple years we have seen a dramatic reduction in participation at Bingo. Where we would once host up to 150 members, it now has dwindled to less than 50. Unfortunately this low turnout will not support the buffet options we have historically offered. We will review the success of Bingo and other monthly events to make a determination if a change is needed in the coming months. Meanwhile, **Seafood**
