Prices do not include tax and gratuity

SELVA MARINA
CONSTRUCTION PLAN

Dear Friends,

Happy Holidays! There is so much to talk about this month and I want to be sure I cover everything. We have so much to be thankful for and **I want to begin by thanking everyone for their contributions to the Employee Holiday Fund.** Particularly this year, where everyone has been struggling with this economy, your generosity is deeply appreciated. Also, JAGA Directors Joe Fitzgerald and Matt Cooney wanted to express their gratitude to the members who contributed to this year's Scholarship Fund. **The funds will go toward supporting all the individuals selected for the scholarship including two Selva Marina Country Club members – Kaitlin Price and Will Flynn.** Lastly we will be asking for your support of the annual Giving Tree to benefit local kids in need. The Club has supported this project for several years and we were asked to participate again. The tree will be in the office lobby, so please stop by and register to donate a gift for a local child.

Changes continue as the painting of the Clubhouse is now complete. **If you haven't noticed already, the Golf and Green Committees have dedicated all of the Golf Beautification Funds to overseeding the fairways.** This substantial project was completed in mid-November and by the time you are reading this, will have manifested in a bright green golf course. This will ensure **great playing conditions throughout the winter.** I encourage you to play often and bring your guests to enjoy this new benefit. Also you will notice a **new cart staging procedure near the breezeway.** This will enhance the experience for our members, guests, and non-member golfers. If you bring your clubs in your car, drive to the bag drop and expect to have our staff greet you in front of the breezeway, take

your clubs out of your trunk, and get them to a cart parked just inside the courtyard. We hope you enjoy this new service!

In your Member Statement this month **I hope you will notice a very special membership offer for a Trial Sport Membership.** Details about how the offer works and what you can do to promote Selva Marina are enclosed in a letter.

Please call Staci or myself in the office if you have any questions about this new program. Also this month I want to announce a new **A La Carte dinner program** coming in January. **Instead of the traditional menu offering, Chef Shane will make 6 to 10 special entrees and several appetizers.** Each week we will announce these specials via email. This program will offer the freshest ingredients and capture Shane's eclectic style for great food. Also I want to announce that **we will offer a different New Year's Eve Celebration formulated to a family-style event.** We hope you will support the Club as we implement these new programs. More details will follow in the month ahead.

Sadly, this month two longtime employees left the Club: Michelle Cox (6 years) and Tim Peterson (17 years!). From a personal standpoint, I truly enjoyed working with these two professionals and my experience here was enriched by the opportunity to work with and get to know them. **Their substantial contributions to the Club during their tenure cannot be defined in this brief space.** The Club wishes Michelle and Tim all the best as they move on to new challenges and opportunities. We are diligently working to find the best possible individuals in the market to fill these positions, and will keep you up to date on the process.

Best Regards,

HOLE-IN-ONE CLUB
